

AVer U15

USB document camera

Unbeatable standard features

The U15 is the easiest document camera to use and get funded. Add in the bundled software that can even jazz up math, and you've got a winning equation.

- **2MP with true 30fps at 1080p:** If only everything was this smooth.
- **Flexible (Gooseneck) arm:** Bend in all directions.
- **8x digital zoom:** Zero in on all the small details.
- **Built-in auto focus:** One touch clarity.
- **Built-in LED Lights:** Illumination guaranteed.
- **Webcam friendly design:** Skype™ ready.
- **AVer Academy Suite:** PowerPoint™, social media and IWB ready.

Why choose the U15?

Only one cable

Sharing a doc cam with a few teachers? Then the U15 is perfect. It's light, portable and has only one cable to connect for the quickest setup. The U15 just might be the easiest doc cam to use.

AVer Academy Suite

Your classroom has many technologies – IWB, tablet, PC, MAC – and with the AVer Academy Suite, the U15 flawlessly integrates into each of them. Insert a live U15 image into MS PowerPoint™, IWB software and even upload recorded videos to YouTube™, Dropbox™ and more.

Webcam friendly design

If you are a Skype power-user, the U15 as a webcam not only shows your face but, your student's faces, a project, classroom wall... (you get the point).
